Jim Apa
Serv Transport
125 Wall Street
Glendale Heights, IL 60159

Dear Mr. Apa,

Effective the date of this letter, the request for activation of the facility operated by Serv Transport located at 125 Wall Street, Glendale, Illinois is approved as a U.S. Customs and Border Protection (CBP) Bonded Container Freight Station. The FIRMS code assigned is H1B4.

Per the application request and blueprint submitted, 3,977 sq. ft. of the 80,552 sq. ft. warehouse has been approved for the storage of bonded merchandise. All requirements of 19 CFR Part 19 apply to this location. The facility described above must adhere to CBP's Physical Security Guidelines for CBP Bonded Facility Memorandum (dated January 20, 2016).

This authorization letter along with a copy of the custodial bond (CBP Form 301) and a current employee list, must be kept at the facility at all times and must be presented to CBP upon request. The facility is subject to unannounced compliance review visits by CBP personnel.

This approval does not confer any commitment on the part of CBP to provide on-site service. Shipments entering the United States that have been selected for CBP Inspection require an immediate transfer to an established Centralized Examination Station facility, within ten days.

You must refer bonded merchandise for General Order (G.O.) when entry has not been made within the required 15-day period. All carriers and other custodians of bonded merchandise must notify CBP and the G.O. warehouse proprietor of merchandise eligible for G.O. storage between the 16th and 20th day of arrival at their location. The G.O. warehouse proprietor will arrange pickup of the referred bonded merchandise between the 21st and 26th day after arrival. The reporting of bonded merchandise for G.O. eligibility must be emailed to CBP at the following address:

GOChicago@CBP.DHS.GOV

The same notification of G.O. eligibility must be emailed or faxed to the G.O. warehouse. All correspondence concerning G.O. storage must be directed to the G.O. warehouse where the

fax/email was directed. The following warehouse has been designated a General Order Warehouse for handling of G.O. eligible bonded merchandise:
